Clean Masters is a complete disaster restoration service that covers the eastern seaboard and the Gulf Coast. The service area includes Maryland, Virginia, North Carolina, South Carolina, Georgia, Florida and Louisiana.

Equipped for disasters including Water, Fire, Smoke and mold, we are ready to mobilize 24 hours a day, every day.

With more than 17 years experience, Clean Masters is owned and operated by **Rodney Faulling**, IICRC Master Cleaner and Master Restoration Specialist.

In early 2006, Clean Masters moved to a customized, larger facility in Summerville, SC. This **new facility** includes a climate controlled storage area to protect your contents until your property is ready and compartmentalized cleaning rooms.

Now, Clean Masters can reach more customers and provide faster, more convenient service with the latest technologies. Improving customer service continues to be the goal as Clean Masters prepares for the next generation.

We are nationally certified in Dri-Zone, Vortex drying, Master cleaning, and Master restoration services

Single family residential, schools, shopping centers, multi-story commercial or industrial buildings, and other building types are easily serviced by Clean Masters and our professional crew.

In many cases, we can have a water damaged building back in operation within just a few days. We understand your need to get back in business as quickly as possible to reduce major business interruption expenses.

With our fleet of trucks, loaded with the most advanced drying equipment available, we can respond at a moment's notice to your emergency.

We realize there is no time to waste in a water loss.

Call us today for professional disaster restoration services.
